# Desktop MINI
Retractable Banner Stand

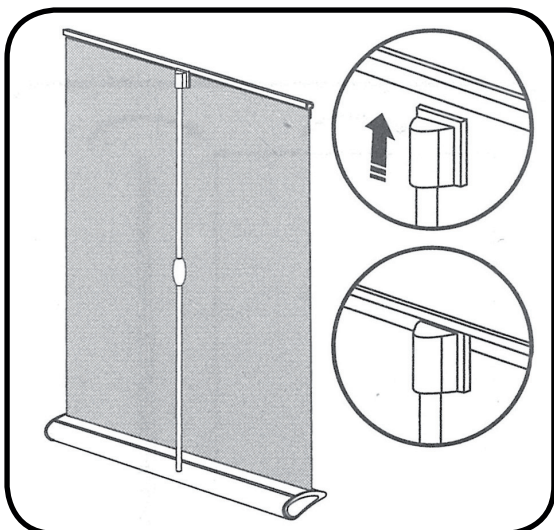

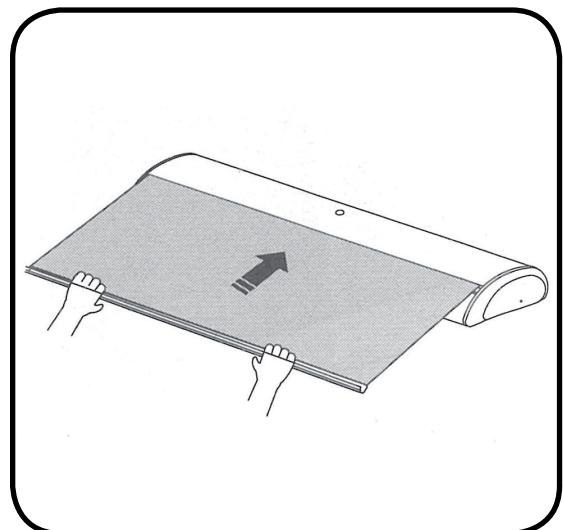

1.Set on a flat surface.

2. Join the poles and insert into the hole on the base.

⚠ *Caution: When inserting pole into the base, be careful not to scratch the graphic.*

3. Lift the graphic and make it fixed onto top of the pole.

To put away, carefully allow the graphic to recoil into the base unit.

⚠ *CAUTION PLEASE READ INSTRUCTIONS BEFORE SETTING UP.*
