

Advertising Flags

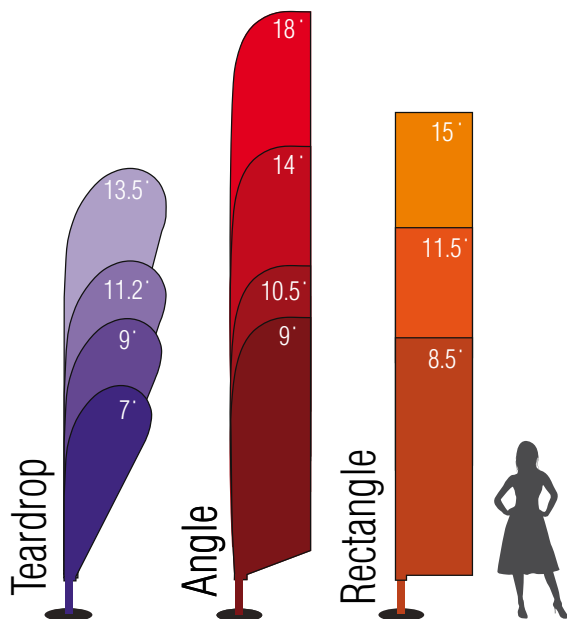

Advertising Flags are offered in several sizes and styles. Available as a single or double-sided print, these flags are eye-catching and visually engaging.

- 4 oz. Polyester Flag Material
- Digital Dye-Sublimation, Scratch Resistant
- Feather Flag Styles Available: Teardrop, Angle and Rectangular
- Sizes from 7' up to a WHOPPING 18' Tall
- Single-Sided and Double-Sided Options
- Ground Spike Included for Outdoor Use
- Optional Hardware Available for Indoor Use

Because of their movement in the breeze, Advertising Flags naturally capture attention and are an effective way to draw attention and engage the public. They are a popular method of promoting among restaurants, apartments, corporate entrances, schools, and all manner of small businesses.

All custom flags are washable and made from durable, scratch resistant, 4 oz. Polyester flag material, suitable for both indoor and outdoor use. Set up is simple with a little assembly required.
