Set Up Instructions

Step 1

Prepare the stand.
Remove from case.

Step 2

With the frame on the ground, begin lifting by grasping the center of the frame. Careful not to pinch a finger.

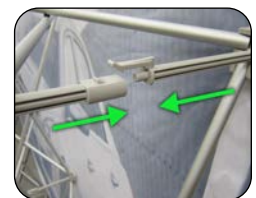

Step 3

Continue to lift and manoeuvre the frame until it is nearing it's full height.

Step 4

Bring the plastic arms together and connect. Repeat for every location.

Step 5

Pull the fabric for the end caps snug and secure at the hook and loop fastner locations.
