

Custom Pole Flags are as functional as they are traditional. Available as a single or double-sided print.

- 4 oz. Polyester Flag Material
- Digital Dye-Sublimation, Scratch Resistant
- Sewn Hems
- Reinforced Grommet Strip
- Single-Sided and Double-Sided Options
- Double-sided features a 3-ply configuration with a blockout membrane

Our custom pole flag lets you fly your brand, mascot, or logo message with ease. Finished with sewn hem and comes standard with a reinforced grommet strip. Double-Sided models come with a block-out layer to prevent image bleed through. Full color print makes the design vibrant as it commands attention.
