

At the full 80" height, it's stable in winds up to 15 mph.

At 60" tall, it can handle winds up to 30 mph.

RBS ALFRESCO – Outdoor retractable banner stand that has double-sided graphics with a robust weighted hardware design. The display can remain stable outside in light to moderate wind.

- Double-sided outdoor retractable banner stand
- Vibrant print on HD scrim banner for extra durability (scratch resistant)
- Replaceable Graphics
- Extendable base stabilizers (Includes stakes to secure to ground)
- Removable center tank (fill with water / 20 lbs of weight)
- Black Zippered, Carrying Case
- Can be used both outdoors and indoors
- One year limited hardware warranty against manufacturer defects

The durable center support pole has an adjustable height and can be used at any height from 40" to 80". At the full 80" height, it's stable in winds up to 15 mph. In areas with higher winds or gusts above 15 mph, the RBS Alfresco can be adjusted to at a shorter height to remain stable. At 72" tall, it can be used in winds or gusts up to 20 mph, and at 60" tall, it can handle winds of 30 mph.

When used outdoors on a hard surface where the ground stakes can't be used, it's recommended to use sandbags or other weights on the extended base stabilizers for greater stability. Not intended for use in adverse weather conditions.

Zippered carry case

Base with removable tank

Adjustable pole and ground stakes
