Set

It's the perfect light weight, portable display for any presentation, retail store, or trade show. Features anodized aluminum base with two swivel feet for stability and a three-piece support pole which securely holds the anti-curl graphic for a dynamic presentation. Easy to use portability which you can conveniently carry to any location. Comes with a padded carry case.

Although all banner stands operate the same basic way, they are not created equal. Our Standard base model is thicker than most and our interior mechanism is designed with more metal components for enhanced durability.
