

How To Wrap A Classic Gift

Step 1: Measure the amount of branded wrapping paper you will need by rolling your box or item end-over-end on the paper so that you know you've got each side covered. Cut slightly more than needed to allow for a little overlap.

Step 2: Fold each side over and tape to secure.

Step 3: Fold the ends in one by one. This will create two triangles. Fold the bottom triangle up, and the top triangle down. Secure with tape.

Step 4: Do the same thing to the other side. You've got yourself a wrapped gift!

Step 5: It's time to add a bow. Grab each end of your chosen ribbon and tie like you would a shoelace. Straighten it out and voila!
